Executive Summary

- Lagos currently faces a severe homeownership crisis. The macroeconomic reality is that 70% of Lagos professionals are still trapped in the rental cycle, even those earning between N1.5M and N3M+ per month.

- **Mixta Africa** is a leading urban infrastructure and real estate developer for Africa's rapidly growing population, with an expansive land bank measuring 15million square meters and project experience in 8 countries and operations in over 5 countries.

- **Lagos New Town (LNT),** Mixta Africa's flagship **1,561-hectare** master-planned residential community in Ibeju Lekki—Lagos' fastest-growing corridor is home to several successful residential estates, including the renowned **Lakowe Lakes Golf and Country Estate**, **Beechwood Park**, and **Adiva Plainfield**. These developments offer premium residential options with proximity to key economic hubs.

- Towards meeting Nigeria's housing objectives of developing 25,000 homes in 2025, the Federal Government through the Ministry of Finance (MOFI) MREIF scheme has appointed Mixta Africa as a Grade A developer to deliver 7,500 of these homes.

- To solve this affordability gap, Mixta Africa is offering you an opportunity to be part of an exclusive, first in kind structured mortgage home ownership package which will include special reward incentives giving you the opportunity to jump on the home ownership ladder.

MIXTA AFRICA

Lagos New Town (LNT by Mixta)

- Lagos New Town (LNT) is Mixta's flagship project positioned at the convergence of the Green Line Metro, the Lekki-Epe International Airport, the Lekki Deep Seaport and the Dangote Refinery.
- LNT is also strategically located along the Lagos–Calabar Coastal Highway, Nigeria's largest planned 700km infrastructure backbone.
- This positioning means LNT is primed for valuation upside as these projects come onstream and traffic, commerce and population increase in the corridor.
- Buyers gain both safety and growth – institutional-grade governance plus exposure to a high-growth infrastructure zone.

Transaction Documentation for Clients

Key transactions documents will be issued at the stages to ensure transparency in communication

Below are the different title documentations to be received by the client through their sales journey with Mixta Africa.

1	**Offer letter:**	This typically spells out the commercial terms for the sale of Products (including but not limited to type of homes or plot being purchased; purchase price and how the purchase price will be paid; service charges for serviced Products; when units will be allocated; cost of documentation etc.).
2	**Contract of Sales:**	The customer receives upon completion of 50% of payment. It is an agreement between the buyer and seller specifying the terms and conditions for the sale of real property.
3	**Deed of Assignment | Deed of Sublease:**	This document is issued to the client upon full payment. It is the written legal proof of ownership which stipulates the ownership rights or interests being transferred to the buyer from the owner/lessee. The document also contains the survey of the property.
4	**Homeowners Agreement:**	This document stipulates the rules, regulations and guidelines of the estate that the client will be living in to ensure the expected lifestyle is maintained. (e.g. this includes building guidelines, duties and obligations of the occupiers of the estate.
